

# TRASH GRAPPLE

## STG MODELS

**SERCO**  
LOADERS

Serco Trash Grapple is designed with formed plates, 8-ribs. Optimized for light weight, structural rigidity, and strength, it offers a durable continuous rotation and integral cylinder guarding. Get unmatched efficiency by pairing the Serco trash grapple with our Serco 8500SR knuckleboom loader. Use the grapple for the applications of storm clean up, municipal waste, recycling, and brush clearing.
